

Titles

RADIOLOGY

KRAMES On-Demand

Diagnostics

Angiography, Carotid
Angiography, Coronary
Angiography, Peripheral
Angiography, Risks and
Complications
Arthrogram
Barium Enema
Bone Density Study
Bone Radiography
Bone Scan
Brain Tumor, Biopsy
Breast Biopsy, Stereotactic
Catheterization, Cardiac
Colonoscopy
Colposcopy
Computed Tomography (CT)
Computed Tomography Angiography
(CTA)
Cystography
Discogram, What Is
Discogram: After the Test
Discogram: During the Test
Dobutamine Stress
Echocardiography (Echo)

Echocardiography (Echo)
GI Endoscopy, Lower
GI Series, Upper
Hepatic Angiography
Hysterosalpingogram (HSG)
Image-Guided Biopsy
Intravenous Pyelogram (IVP)
Liver Biopsy
Magnetic Resonance Angiography
(MRA)
Magnetic Resonance Imaging (MRI)
Mammography
Mammography with Breast Implant
Myelogram
Nuclear Imaging, Cardiac
Nuclear Medicine Scan
Positron Emission Tomography
Prostate Biopsy
Prostate Ultrasound
Pulmonary Angiography
Rectal Bleeding, Evaluating and
Treating
Renal Angiography
Sigmoidoscopy

Transesophageal Echocardiography
(TEE)
Transrectal Ultrasound
Transvaginal Ultrasound
Ultrasound, Abdominal
Ultrasound, Doppler
Ultrasound, Pelvic
Ultrasound, Prenatal
Venography
X-ray

Treatments

Abscess Drainage
Angioplasty, Coronary
Angioplasty, Peripheral
Atherectomy, Coronary
Biliary Drainage
Brain Tumor, Radiation Implants
Brain Tumor, Radiation for
Catheter Embolization
Chemoembolization for Liver Cancer
Craniotomy: Correcting Your
Problem
Electrothermal Catheter Therapy,
How It Works

Electrothermal Catheter Therapy,
Preparing for
Electrothermal Catheter Therapy:
During the Procedure
Embolization for Brain Aneurysm
ERCP
Fallopian Tube Catheterization
ICD (Implantable Cardioverter
Defibrillator)
Medial Branch Neurotomy: Your
Experience
Pacemakers
Percutaneous Nephrostomy
Peripheral Artery Thrombolysis
Peripheral Stent
Peripheral Venous Thrombolysis
Peripherally Inserted Central
Catheter (PICC)
Renal Angioplasty and Stenting
Stents, Coronary
TIPS (Transjugular Intrahepatic
Portosystemic Shunt)
Uterine Fibroid Embolization
Venous Angioplasty and Stenting
Vertebroplasty
